It may also solicit applications for funding from the Idaho Millennium Income Fund, and meet to hear testimony. The committee also has the power and duty to evaluate the actual and potential success of programs funded with moneys from the income fund, and to present recommendations annually to the Legislature. The committee is supported by staff from the Legislative Services Office.

### Millennium Funds

The *Idaho Millennium Income Fund* consists of distributions from the Idaho Millennium Permanent Endowment Fund, the Idaho Millennium Fund and such moneys that may be provided by legislative appropriations. The income fund is managed by the State Treasurer and retains its own earnings. The uses of this fund are determined by legislative appropriation.

The *Idaho Millennium Permanent Endowment Fund* consists of eighty percent of moneys received each year by the state of Idaho on and after January 1, 2007, pursuant to the master settlement agreement entered into between tobacco product manufacturers and the state, and any other moneys that may be appropriated or otherwise directed to the fund. Each year, the State Treasurer is to distribute five percent of the fund's average monthly fair market value for the first twelve months of the preceding twenty-four months, to the Idaho Millennium Income Fund, providing that the distribution does not exceed the fund's fair market value on the first business day of July.

Likewise, the *Idaho Millennium Fund* consists of twenty percent of moneys received each year by the state of Idaho on and after January 1, 2007, pursuant to the master settlement agreement entered into between tobacco product manufacturers and the state and any other moneys that may be appropriated or otherwise directed to the fund. Each year, the State Treasurer is to distribute five percent of the fund's average monthly fair market value for the first twelve months of the preceding twenty-four months, to the Idaho Millennium Income Fund, providing that the distribution does not exceed the fund's fair market value on the first business day of July.

For FY 2021, the distributions to the Millennium Income Fund is approximately \$18,503,300.
